

Pointe Shoe Program

Families of dancers in level 3B and up are entitled to MBC's optional Pointe Shoe Program. As MBC dancers progress and grow, the amount of pointe work required of them does also. Our highest-level dancers go through a minimum of one pair per month. Through MBC, you can now order your pointe shoes to save on cost. On the 15th of every month, we will be placing an order through Discount Dance Supply (www.discountdance.com). The price that appears on DDS is the price you will pay, and nothing more. By ordering through MBC, you not only receive the price DDS offers, but you are not required to pay shipping. Therefore, if you are saving \$15 by ordering through DDS, by ordering through MBC you save the \$15+Shipping (a usual minimum of \$13), saving you around \$28 compared to a retail dance store.

Unfortunately, MBC will not be able to return any shoes ordered through DDS. We are excited that we are able to lessen the cost of pointe shoes, but we ONLY recommend ordering shoes through MBC if you are positive of your size and know that is exactly what you want. If the shoe(s) you ordered is backordered beyond a week, we will contact you to see if you would still like it ordered.

Please complete the following form and have it into the MBC payment box BEFORE the 15th of every month. Uncompleted forms will not be processed. If ordering for more than one dancer, please complete separate forms and staple them together. Ribbon and Elastic can be purchased at the front desk at anytime.

Parent Name and Contact Number: _____

Dancer Name: _____

Pointe Shoe Style and number: _____
(Ex, Freed Studio Professional #STUV)

Size: (ex, 7M, or 5.5 B) _____

Shank, if applicable: _____ Quantity: _____
