

PERFORMING COMPANY
OVERVIEW, QUALIFICATIONS, REQUIREMENTS AND BENEFITS

Overview

The Mankato Ballet Performing Company (MBPC) is intended to be a group of advanced dancers who are ambitious about pursuing ballet/dance as a career. This may include dancing with a professional company, semi-professional company, teaching, as well as other avenues. **These dancers are making dance a priority over other activities they may be involved in.** This group of dancers will be challenged at a slightly higher level and receive more aggressive feedback from instructors.

Dancers with the MBPC will get additional performance opportunities and other benefits which are outlined below. However, it is important to stress that dancers should not join the MBPC simply because they want these benefits. The MBPC will be taken very seriously and while it will give our dancers access to amazing choreography and excellent training it will also be hard work and requires a higher level of dedication. Dancers who may not be able to meet the qualifications should consider carefully before they apply.

Dancers who want to be considered for the MBPC must complete the audition form in this packet. Dancers will then attend an annual audition that is held in the spring. If accepted, new members of the MBPC will be asked to sign a contract. (Sample contract attached)

Qualifications

Dancers who meet the following requirements are eligible to audition for the MBPC.

MBPC Structure

Dancers who audition for the MBPC are not guaranteed a position in the company. Dancers who are accepted into the Company will be divided into Tears:

- Soloists
- Demi Soloists
- Corps de Ballet
- Apprentices
- Trainees

The distinction between these tears is based on the dancers' audition, past attitude, work ethic, rehearsal attendance, attendance in classes and having completed all make up classes. This decision will be a collective decision made by all current MBC teachers on staff and is a final decision. Dancers who work hard can and will be promoted midyear.
