Dear Valued Patron:

Be part of the excitement at the Mankato Ballet Company! This summer MBC will begin construction on a new facility, and we want you to join us in bringing this fantastic space to the community.

You know the value the Mankato Ballet Company brings to the dancers, audiences, and the entire community. In addition to our traditional patron levels, this year we are offering you the opportunity to sponsor a portion of the new MBC facility and receive the recognition you deserve in return. If you are interested in having naming rights to a studio, locker room, or other area of the facility, please contact us to explore what option best suits you.

As the Artistic Director for the Mankato Ballet Company, I would like to share how proud we are that our art form is represented and supported within the community. In addition to considering the opportunity to share in the excitement of bringing MBC's new facility to life, we hope that you will consider supporting our 2018-19 performance season, classes, guest artists, and underfunded program work that is so vital and important. By assisting the ballet, you are also assisting the community in making the art of dance more accessible to each and every member of Southern Minnesota.

As you look ahead to your 2019 budget season, please consider one of our donation levels below. We would be honored to have you as a patron or event sponsor. And, again, we would be happy to talk with you about sponsoring a portion of the new MBC facility. Your donation is completely tax deductible, MBC is a 501(c)(3), and each donation level comes with some lovely benefits.

Sincerely,

Eryn A Michlitsch
Artistic Director
Mankato Ballet Company
