FALL SCHEDULE AND GETTING REGISTERED

Our fall schedule is now posted online.

There have been a few changes made to some of the classes and times.

Online registration for fall classes opens July 29th.

When you enter your Parent Portal several updates have been made, you can now enter a photo/headshot of your dancer. If you can upload one this will be helpful for us during performance check in time and when taking attendance as it will show up on our end as well. This is not mandatory, but would be helpful for our staff.

STUDIO STARTING LOCATION

We will begin our year at our current location.

While the building will likely be completed in November, we will take December to move and have everything set up for classes to start back in January. Please watch for an email that will be out soon regarding our progress with the new building.
