A Pause on Performing

VISIONS OF SUGAR PLUMS

This month would have seen our 35th anniversary performance of *The Nutcracker*. We hit the pause button on our performances with the hope of some holiday magic allowing us to perform in January.

We dearly hope to be able to perform *The Nutcracker* January 23rd and 24th and encourage those who feel comfortable to attend.

It has become very clear that the performing arts are being hit hard by the pandemic and MBC is no different. With lower student numbers and lack of performance income, MBC is doing what we can to stay strong.

This months newsletter is focused on little things you can do to help MBC thrive so there is an amazing place for your dancers to return to once it is safe to open our doors again.
