Note: Dancers who are very fair and have red or blonde hair will want to purchase brown liner, mascara, and false eyelashes. Dark blonde or dark haired dancers will want to purchase black liner, mascara and false eye lashes.

When purchasing make up, purchase water proof to help it from running when sweating. If you can find a pancake foundation that is preferable to liquid. Brands we like are Ben Nye or Mehron Make up found online or Amazon. These brands also have the highlight stick we like dancers to use.

Check E.L.F. Cosmetics for chunky white pencil and red lip liner pencil.
